II.1

I, the undersigned official veterinarian or official inspector, hereby certify, that the milk and dairy products imported into Ukraine meet the following requirements:

II.1.1

Have been made from raw milk obtained from healthy animals raised in the territory of the European Union, originating from farms and administrative territories free from the following animal diseases:

- foot-and-mouth disease for the last 12 months on the whole territory of the country or zone recognized by OIE
- peste des petits ruminants for the last 2 years on the territory of the whole country or an administrative territory, in the case of stamping out 6 months.

II.1.2

Part II: Certification

Have not been treated with colourings, flavouring substances, ionizing and ultraviolet radiation which are not approved by EU legislation or equivalent regulations of Ukraine; do not contain natural or synthetic estrogenic, hormonal substances, thyreostatics antibiotics and residues of sedatives in accordance with Ukrainian legislation or equivalent EU regulations.

II.1.3

Have been produced at officially approved milk processing establishments under the official supervision of the Competent Authority in the country of origin, that is EU Member State, and are fit for consumption and free trade.

II.1.4

The milk or milk ingredient of which this product is made has been heated at a temperature of not less than 72 °C for at least 15 seconds (or a treatment with at least an equivalent effect) or the process of milk products manufactured from raw milk (cheeses ripening for more than 60 days) in order to avoid the presence of vegetative pathogenic micro-organisms.

II.1.5

Microbiological, chemical-toxicological and radiological indicators of milk and milk products correspond to the requirements concerning hygiene and safety of food products and food raw materials in accordance with the current Ukrainian or EU requirements.

II.1.6

The exported products have typical organoleptic characteristics and undamaged factory packaging.

II.1.7

Packaging is disposable and satisfy all necessary sanitary and hygiene requirements applicable in the exporting country.

II.1.8

Means of transport is equipped and cleaned in accordance with requirements applicable in the exporting country.

EUROPEAN UNION
