Part II: Certification	II. Health information	
	I, the undersigned official veterinarian, certify the following:	
	II.1.	(insert EU Member State of origin or a region thereof) is officially recognised by the OIE as free from foot and mouth disease without vaccination, and it is free from African swine fever, swine vesicular disease and classical swine fever according to the criteria laid down in the correspondent Chapter of the most recent version of the terrestrial animal health code of the OIE.
	II.2.	The meat has been obtained from animals that:
	II.2.1.	have been born, bred and slaughtered in the territory described under point II.1. or in a country or a region thereof with similar animal health status as described under point II.1;
	II.2.2.	have been slaughtered in an establishment qualified by the SAG to export to Chile(1);
	II.2.3.	have passed ante-mortem and post-mortem inspection and have shown no evidence of transmissible diseases;
	II.3.	The meat: fulfills all the general and specific principles and requirements of EU food legislation and has been found fit for human consumption.
	II.4.	Storage and transport:
	II.4.1.	Chilling/freezing is the only method of preservation; no antiseptics, antibiotics or any other chemical or biological additives are used
II.4.2.	Transport from the slaughterhouse to the EU point of exit has been carried out in vehicles that ensure the maintenance of the temperature and the hygienic and sanitary conditions.	
Notes		
Part I:		
Box I.11:	Place of origin: shall indicate if the establishment of origin is a Slaughterhouse (SH), a Cutting Plant (CP) or a Cold Store (CS)
