	II.								
	Health Attestations								
Part II: Certification	The meat or meat product(s) herein described come from animals born and raised in [insert name of Member States], slaughtered in [insert name of Member State]. The slaughterhouses where the animals were slaughtered and/or processing plants where the meat was packed are approved and under regular veterinary-sanitary supervision of the competent veterinary authority; and								
erun	(2)		neat or meat product(s) was/were derived from animals that underwent ante and post mortem ction and did not show signs of infectious and contagious diseases at the time of slaughter;						
II: (and								
Part	(3)	The meat has been subject to the testing programmes for harmful organisms, veterinary drug residues and other toxic substances administered by the competent authority. The results of the tests meet the EU performance standards and have not provided any evidence as to the presence of chemical/drug residues or toxic substance that could be harmful to human health. The tissues derived from food animals do not contain prohibited chemicals and the levels of drugs and chemicals in tissues do not exceed Maximum Residue Limits;							
		and							
	(4)	The meat or meat product(s) herein described has/have been dressed, prepared and packed under hygienic conditions in officially approved establishments which are subject to supervision by the offic veterinarian. The meat or meat product(s) is/are fit for human consumption and eligible for intra-European Union trade without restriction in accordance with EU legislation and applicable legislation [insert name of certifying EU Member State].							
			and						
	(5)	The exporting EU Member State must source food animals and their meat from the Member states that have established import protocol with Hong Kong for that particular type of commodity (1).							
	Additional	Health Atte	stations for Beef (if applicable)						
	(6)			ome from animals born in ert name of Member State], w accordance with OIE's Terres					
	(7)								
	Notes								
	(a)	For meat or meat product(s) herein described which come from animals that were slaughtered in an eligible EU Member State that is different from the EU member state from which the consignment is exported, an Export Declaration must be issued. Under such scenario, the Hong Kong importer is required to obtain permission in writing from the Centre for Food Safety of the Food and Environmental Hygiene Department of Hong Kong.							
	(b)	For meat or meat product(s) herein described which come from animals that were slaughtered within the exporting EU member state, this Health Certificate must be issued. No import permission is required in these cases.							
	Part I								
	Box Country of origin means the exporting country. reference I.7.:								
		Box Place of origin: name and address of the dispatch establishment in the exporting country. reference I.11.:							
		Box reference I.19.:	For containers or boxes, the contain included.	ner number and the seal nun	nber (if applicable) should be
