**(EEU) Veterinary certificate for day-old chicks, turkey poults,
ducklings, goslings, ostrich chicks and hatching eggs of these species
exported from EU to the Customs Union**

EUROPEAN UNION

Part II: Certification	II. Health information			
	(1)	Administrative territories, zones and time periods may be modified with a mutual agreement on the basis of the European Union and Customs Union Memorandum on zoning and regionalisation or the European Union and Russian Federation Memorandum on zoning and regionalisation, as applicable.		
	(2)	Cross out as appropriate.		
	(3)	Cross out as appropriate. To be certified based on information from the CU importing country to the EU Commission on the necessity to certify according to the OIE Code, Edition 2011, Users Guide "A. General remarks", point 3, i.e. that the importing country/administrative territory carries out an effective surveillance programme, either demonstrating freedom or following which an eradication programme is conducted. The CU importing country submits all relevant information to the European Commission.		
	Signature and stamp must be in a different colour to that in the printed certificate
